The July meeting will be held on the N.F. Stilly at Gordon Swansons lot on the 22nd. Dinner will be at about 5:30 p.m. If you plan to be there for dinner you will need to let me know before the 18th. The cost for dinner is \$10.

The McKenzie- Kalama Cup event will be on the following weekend the 27th- the 29th. Come out to Gordon's lot and camp for the weekend and help the EFFC reclaim the cup. Dinner on Saturday evening will be potluck. If you can't make it for the whole weekend come out on Saturday and be sure to bring something for the potluck. The McKenzie club are a great bunch of guys and a lot of fun to fish with; so let's show up and show them how it's done.

President's Message

By Eric Nordstom

I'm sure most everyone is having a very busy summer like me, but hopefully you can find time to come join in the Summer Fishout on Sunday the 22nd, and even the Kalama Cup outing with the McKenzie club the following weekend. It's always a fun time at Gordy's place on the river so try to make it.

Unfortunately last month I had a tough time getting the newsletter out as my e-mail was not cooperating trying to send it out to the usual distribution list. Hopefully everyone figured out that you can download it off the club's website at least prior to each meeting, and this should be your default way to get it if for some reason you don't receive it the usual way (e-mail or USPS).

As I mentioned last month, a big thank you goes out to Jerry Buron for his past service to the club being the Publication's chairman and the great job he did for the past couple years. We do have a new chairman as Bruce Turner was willing to take over. Thanks Bruce for stepping up, and I think he will be a fine replacement as he has the experience with computers and photography to do some creative things with this position.

Lastly, I need to point out that we no longer are meeting at Petosa's Restaurant for our monthly board meetings, since they permanently closed down last month. For now we will be meeting either at The Village Restaurant in South Marysville or Shawn O'Donnell's Restaurant in Everett, so please contact me for location if you want to attend.

Keep those lines wet and hope to see you at Gordy's this month!

The Auction Committee is busy trying to plan for this year's event and we need to know who plans on donate guided trips, artwork, gear, discounts, etc. Please contact myself at enorthstream@aol.com if you know of a trip or something you have to contribute, the club would really appreciate it.

This year's venue is changing if you haven't heard yet; it will be hosted by Shawn O'Donnell's Restaurant and Irish Pub in Everett. I think this is going to be a fine setting for this event and the menu is looking excellent as well.

We are planning on going with a buffet of grilled marinated flank steak and baked salmon infused with white wine, lemon, and fresh dill. This will come with garlic mashed potatoes, seasonal vegetables, Caesar salad, and bread for \$25. Soft drinks are included and there will be a no-host bar provided. Desserts will be available from an a la carte menu. Put October 23rd on your calendar because it is going to be a fun evening and a chance to pick up some good deals!

WSCFFF By Carl Johnson

FFF Membership Incentive Programs

Starting July of this year the FFF started two membership incentive programs. The first program is for FFF affiliated clubs, such as the Evergreen Fly Fishing Club. This program is to increase our members to support the Federation's growing Conservation and Educational programs. One group that represents real potential is the members of our affiliate clubs who are not FFF members.

From July 1, 2007 to December 31, 2007 affiliate members may join the Federation at the special discounted price of \$15.00 for a regular one year individual membership.

- These memberships will count toward the Rod Incentive program.

- **Membership form must be signed by the club president to certify that the applicant is a member of the affiliate club**

Life Member Promotion

Beginning July 1, 2007 until December 31, 2007 we will also have a life membership promotion. At a price of \$750 it will include for a new member, choice of a Sage 590-4 Z-AXIS Series Rod in 5 wt OR a Sage 890-4 Xi2 8 wt.

Thus the new life member gets a package valued at approximately \$1150.00 for his \$750.00 investment..

Rod incentive Program

For every 12 new members of a club who join the FFF the club will receive their choice of a Temple Fork Outfitters Lefty Kreh Professional Series rod: TFO 5864P (8'6" 4 pc 5 wgt) or TFO 0894P (9' 4pc 8 wt) .

If the club does not take the rod at 12 members, at 18 members they can choose between a TFO Lefty Kreh TiCR X series rods: TFO 5904TX (9' 4 pc 5 wt) or TFO 08904TX (9' 4 pc 8 wt)

All membership categories for new members count toward the rod with the following exceptions.

- Two youth memberships count as one membership for this program
- Disabled Veteran memberships do not qualify
- Reinstatement of membership (former members less than 3 years)

Please contact Carl Johnson with any questions.
