## President's Message

By Mark Edson

I hope everyone enjoyed Sam Ingram's talk last month. He had some great tips on where to go.

I missed this month's board meeting, and I'm told that it was quite productive. I'm sure the fact that I wasn't there had nothing to do with that...

We're making some progress on solving the various club problems for the year. One of our problems was finding a new location for the Christmas party since the large meeting room downstairs in the Hawthorne had been snatched up before we managed to grab it (one of the downsides of not having a Christmas party chairman – any takers?). Thanks to the footwork of hard-working club members, we have reserved the Glen Eagle for our Christmas party on December 13<sup>th</sup>.

We've been continuing to explore new venues for our regular club meetings, so stay tuned for announcements there. As I mentioned last month, we will continue to meet at the Flying Pig for at least a couple of months after an announcement before changing venues. So there will be plenty of time to change our habits. For now, just keep coming to the Pig...

We also managed to find our PA system, so we should even have audio at the meeting this month. Sorry about that last month. This is all part of the pain of not having an on-site location to store our stuff.

Hope everyone has had a good month. Now that Spring is here, we all should be running out of excuses not to be fishing...

## Membership By Mark Simpson

Club dues are still overdue for some members. As of this writing most of our members have paid their dues but a few have not yet paid. Calendar year 2008 dues are \$30 for members and \$25 for associate members. Dues checks should be made to EFFC and sent directly to the membership chairman. Please do not send them to the treasurer or to the club's post office box. Please send dues to: Mark Simpson, 2505 5<sup>th</sup> St, Everett, WA 98201

My current records indicate the following members have not paid 2008 dues:

Bruce Bell, Dennis Channing, Joe Coakley, Pete Domoto, Alex Dorchak, Neil Farler, Dick Greaves, Rick Jeter, Norm Johnson, Adam Larson, John Low, Joe Marsh, Dave Nunnally, Jerry Rochford, Ira Siebert, Ken Sunderland, Doug Tuengel, Dick West, Skinner Wood.

I believe I've kept an accurate list of dues received. Please contact me if you believe your name is included on this list in error.

This is the second and final notice of delinquency. Unless your dues are paid your name will be dropped from the member list 30 days after the date this newsletter is mailed out. Please pay your dues and remain as an EFFC member.

## Publications By Bruce Turner

Wow what a month! Calendars look marvelous. Be sure to pick one up at the meeting! Remember only one per fisherman....

## Auction News By Mike Schutt

Donations for the auction are coming in, so far mostly in the form of discount certificates. They're typically great discounts - 40% off reels, rods, accessories and the like, but many have expiration dates before the October Auction. We'll display a sample of them at the March meeting, but to get the best return for the club, and to allow members to save up their allowances, we will conduct silent auctions for these items, beginning at the April meeting.

Also, we would like to get members committing to donations of goods and trips as soon as possible, so donation sheets will be placed on each table at the monthly meetings. If you have something to donate, but can't make it to a meeting, send me an e-mail so your name and item(s) can be added to the list.

We are also looking for members who frequent local fly shops and other businesses and would be willing to hand deliver a donation letter to put a personal spin on our club's need for donations. Anything that we could sell at auction would be greatly appreciated - tools, auto supplies/services, gardening equipment, tool rental time, etc. - you get the idea, think outside of the box. The auction is only as successful as you help to make it. Questions or donations - contact Mike Schutt, [fishincoug@yahoo.com](mailto:fishincoug@yahoo.com) or 425-346-3148. bun.

## Speaker For March By Dennis LeMaster

**Bob Jateff** of Washington Department of Fish and Wildlife will be speaking for our March meeting. He is the District Fish Biologist for Okanogan County and will talk about the condition of lakes in and around Okanogan County. Bob is a graduate of the University of Idaho in fisheries and speaks authoritatively about fishing and fishing conditions in lakes and rivers of North Central Washington. Bob may be accompanied by Joe Miller, who is the head fish biologist in North Central Washington for WDFW. Be there..

## Fly Tying Contest By Joe Bernstein

The Callibaetis Nymph pattern tied by **Rob Gamage** beat out the competition at our February meeting. Way to go Rob!!!

The fly pattern for March is your favorite chironomid in sizes 6-18. There are many, many chironomid patterns, so picking one to tie may be your biggest challenge. Here are a few sample pictures.

So, come on everyone, show us your favorite Chironomid at our March meeting. It should be a great contest this time!
