The Presidents Message

By Rob Gamage

I'm so bummed out that I wasn't able to attend the River Clean-Up last month because I really enjoy getting out there "in the trenches" and actually doing something that makes a difference.

Jesse said that it was very successful with the installation of the new plaque at the Hazel Monument and over 500 pounds of other peoples trash collected. I

I guess the ultimate success would be to return from all of the public accesses without so much as a gum wrapper. Thanks to all of you that helped out both cleaning up and cooking for the troops!

Later this month, on Sunday the 25th, is our annual Summer Outing on the North Fork of the Stillaguamish. Weigh-in will be at 5:00 at the Swanson's lot in Oso with dinner and very informal monthly meeting to follow. Feel free to join us even if you won't be fishing. Just contact Gary Medema and reserve your meal if you want one.

I hope to see you on the river!
