The Presidents Message

By Jim Pankiewicz

I hope all of you had a wonderful holiday season. Thanks to everyone who helped make our club Christmas party a great success! Special thanks go out to Bruce and Lavanda Turner. Lavanda did the shopping for the non-fishing items and also provided the wonderful entertainment. Thanks to Al Vavra who shopped for the fishing items. Thanks also to Diane Vavra, along with Les and Mary Bouck for helping display the raffle items and selling tickets. Thanks to Dale Dennis who did the shopping for the poinsettias and thanks to Jake Jacobson for picking up and delivering the food donations.

I would like to explain the format and programs for our November 2012 meeting and our January 2013 meeting. In April of 2012 a suggestion was made at the Board meeting to change the format of our November membership meeting where we have traditionally recognized our old-timers. The decision was made to have a program at the November meeting and to also display our club memorabilia.

This past fall, as Vice-President, I had spoken with Mike Benbow about doing a program for the November 2012 meeting. He was going to make a presentation on bucktailing in Tofino. It was going to be a very good program for our November meeting because of the tie in with Bill Nelson. Bill was our club president in 1962. After retiring, Bill became a guide on Vancouver Island where he was one of the pioneers of bucktailing for salmon. Dick Padovan has fished at Tofino for the past 45 years. He was going to help Mike with the presentation and read a tribute to Bill.

I had planned to do a presentation on Carp fishing in January in order to help the new vice-president with the transition. As it turned out Mike Benbow had a conflict in November and was not available to do his bucktailing program for us so he and I traded months. I presented in November and Mike is going to present in January. At our January meeting I am asking that members be prepared to share some of their memories of our old-timers. I'm thinking of things like the great story Gary Medema told during the fishing reports at our November meeting.

I am looking forward to the upcoming year. I would like to focus on re-energizing the club. To that end I would like us to recruit new members and help those members and our guests feel very welcome. Our long time club members have a lot to offer and I am sure new members and guests will appreciate the depth and breadth of that expertise. Making connections between old members and new members is valuable for everyone.

If you are someone who usually sits at the same table at club meetings how about sitting somewhere else at our next meeting? How about talking with someone you don't know? We have 10 nonmembers taking our fly tying classes. How about personally helping one of those non-members during class? Here's a risky suggestion—on the very small chance that there is someone in the club that you don't care for, how about talking with that person? Just talk about fishing; that's easy.

I would say, "Go fishing!" but at this writing it is 24 degrees out. Okay, tie some flies and dream of fishing. It will warm up soon.

January's Speaker

Mike Benbow will be doing a program on fishing for silver salmon at Tofino, B.C. Club member Dick Padovan has been fishing it every year for the last 45 years where he trolls bucktail patterns, a technique he learned from Bill Nelson, a former president of the Evergreen club. Mike will have a lot of information on fishing and tying buck tails and it will be useful for people who never go to Tofino. Dick will be available to offer advice and some info about Bill Nelson.

Don't Forget!

Winter Fishout

By Gary Medema

Our Winter Fishout is coming up on Jan. 26th. Pick a local river and spend the day trying to catch one of those elusive winter steelhead. If your'e lucky enough to accomplish this feat the Dub Price Award could be yours to hang on the wall for the next year or maybe more. The weigh in time will be 5:30 at the Village Restaurant in Marysville for dinner. The Village is located right below the 4th st. I-5 north bound off ramp and each person buys thier own dinner.

You can't catch a fish and win if you don't get out there and fish. **GOOD LUCK.**
